SYLVAIN OULALA

FOR PRIVATE & CORPORATE BOOKING
WINTER SEASON 2022-2023

BIO : The Estonian Frenchman

TAG : FROM FRENCH ENGINEER TO ESTONIAN FAMOUS PERFORMER

Born in France, Sylvain graduated an engineer diploma. But he choose that office work was not the life he wanted. So he took a radical turn, and he moved to Estonia to start a new life as a circus performer.

Sylvain is now a world wide street performer, touring in European festival in summer and in Asia and Oceania in winter. He has amazed the crowd in more than 25 country and 3 continents. His experience taught him to make the best of any situation.

THE OULALA - UNICYCLE SHOW (25-35 MINUTES)

[CLICK HERE TO WATCH THE PROMO VIDEO](#)

Welcome to the only high energy circus show in the world where you can see a frenchy smiling and speak foreign languages as if they were juggling props.

If you have a love for circus then this is the show for you, from high level diabolo & juggling routine's to the death defying 3m unicycle. Sylvain no-doubt impresses people of all ages by creating happiness and laughter throughout the whole show.

A show that guarantee's non will leave disappointed !

Technical requirements :

- This show requires a hard flat surface and a 8m x 12m area with a ceiling height of at least 3 meters to perform all the all routine. (If your venue can't fulfill this, **no worry**. Just contact me and we will find out what is the best solution)
- A sound system can be provided by the performer on request

FIRE SHOW

(15-25 MINUTES)

[CLICK HERE TO WATCH THE PROMO VIDEO](#)

If you want to amazed your audience with awe and danger, then this is the show for you, from high level diabolo & a charm that would melted even the stoned heart. Sylvain no-doubt impresses people of all ages by creating happiness and laughter throughout the whole show.

Technical requirements :

- This show requires a flat surface of 7m x 9m area
- A sound system can be provided by the performer
- This show is recommended for outside venue, but can be performed inside in some particular case.

LED JUGGLING SHOW (15 -25 MINUTES)

Be mesmerised by a show on the edge between magic and technology. With his self made led juggling club and costume, Sylvain will light up your evening with shining smiles.

Technical requirements :

- This show requires an area of 5m x 7m area
- A sound system can be provided by the performer on request.

JUGGLING INITIATION (30 MINUTES - 2 HOURS)

A really good package I often offer to big event is giving a juggling initiation after the show.

I've been teaching to hundred of people how to juggle. Over time I develop a powerful method called "the french juggling" which allow people to learn unique tricks in only 30.

Technical requirements :

- A room with a relatively quiet environnement
- Max 16 participants
